

Rock Around the Clock With Service!

Michigan District of Circle K International Directory

2009-2010 Fall Edition

Dear Circle K'ers,

Congratulations! You have officially made it to the halfway point of the Circle K year, which began April 1st. During this time you have participated in service projects, brainstormed new ways to make your clubs amazing, and a few of you even had the opportunity to attend ICON. You deserve to be commended!

Although you have done great work thus far, the CKI year is far from complete. It is my hope that in the coming months, you will achieve even more amazing things at the club level. As always, the district board is here to help you in your endeavors. Whether you need advice on how to pull off a new large scale service project, need fundraising ideas, or simply want to chat, we are always here to serve you.

In honor of our 2010 district convention, I have given this directory a 1950's theme. I hope it will be helpful to you, and you will use it to communicate with other club officers to share ideas and connect with the other clubs in our district. If any information needs to be updated, please contact me, as I will be sending out an addendum later this semester.

As I mentioned, we have many more great events planned for the year! I hope you will all join us in the exciting events to come, including FLTC in Lapeer, Snowpia at Wayne State University, Lovepit at Central Michigan University, and DCON, hosted by Michigan State University. In addition, don't forget to add your club events to the district calendar at <http://www.my.calendars.net/michcki>, so that we can attend each other's events and work together to promote out tenants of service, fellowship, and leadership.

Thank you again for your hard work, and I hope to see you all at a district event or interclub soon!

In service,

Stefanie Hosford

Stefanie Hosford

Circle K International Information

The Objects of Circle K

To emphasize the advantages of the democratic way of life;

To provide the opportunity for leadership training in service;

To serve on the campus and in the community;

To cooperate with the administrative officers of the educational institution of which each club is a part;

To encourage participation in group activities;

To promote good fellowship and high scholarship;

To develop aggressive citizenship and the spirit of service for improvement of all human relationships;

To afford useful training in the social graces and personality development; and encourage and promote the following ideals:

To give primacy to the human and spiritual rather than to the material values of life;

To encourage the daily living of the Golden Rule in all human relationships;

To promote the adoption and the application of high social, business, and professional standards;

To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship;

To provide through Circle K clubs a practical means to form enduring friendships, to render altruistic service, and to build better communities; and

To cooperate in creating and maintaining that sound public opinion and high idealism which makes possible the increase in righteousness, justice, patriotism, and goodwill.

The Motto

“Live to Serve, Love to Serve.”

Website

www.circlek.org

The Three Tenets

Service

Leadership

Fellowship

The Pledge

I pledge to uphold the Objects of Circle K International;

To foster compassion and goodwill toward others through service and leadership

To develop my abilities and the abilities of all people;

And to dedicate myself to the realization of mankind’s potential.

The Vision

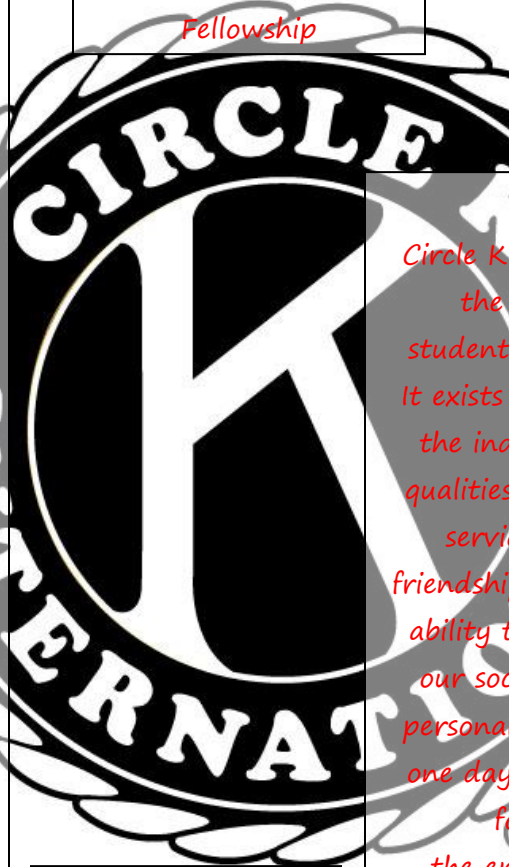

Circle K is the organization that holds the promise of today's college student becoming tomorrow's leader. It exists to meet the personal needs of the individual collegian through the qualities of leadership, the rewards of service, and the unique spirit of friendship. Circle K's potential lies in its ability to positively influence those in our society who are facing ultimate personal decisions, and those who will one day create the vision of mankind for generations to come.

the embodiment of those qualities necessary to share the future, realized in the colleges and universities today.

The Vision of Circle K International is dedicated to the realization of mankind's potential.

The Mission

Developing college and university students into a global network of responsible citizens with a lifelong commitment to service.

Hello Members of the Michigan District of Circle K International,

My name is Tim Pritchett and I am your CKI International Representative for the 2009-2010 year and I look forward to working with and meeting you during this year. For the time until I am able to meet you, here is a little bit about me. I graduated with a Bachelor's in Computer Engineering from Purdue University in Indiana this past May and am currently starting a Master's Degree in Computer Engineering there. I work as a research assistant on low-cost high-performance hybrid Solid State Drive (SSD) and Hard Disk Drive (HDD) systems research with a professor at Purdue. I have previously fulfilled roles as Lieutenant Governor for both Key Club and Circle K as well as Governor of the Indiana District of Circle K. I am also learning a dance-based Afro-Brazilian martial art known as Capoeira (if you don't know what that is and would like to, youtube "axe capoeira"). I love to camp, draw, and singing in my car (it makes driving so much more fun). I also love to talk to people, which brings me to my role as representative.

As your international representative, I serve on the Circle K International Board of Officers and represent you and your ideas as a district, as clubs, and as individual members. This means that I not only update you on what's happening within other districts and across our organization as a whole, but also seek feedback and ideas from you. These are needed to help our international board of officers develop benefits that you want and provide resources that your clubs want and need to grow and flourish. So please feel free to email me at tim.pritchett.cki@gmail.com about anything, especially if you have a new idea for or comments about a service project, fundraiser, event, or anything pertaining to Circle K. Remember I am here to serve you and to do my best to make sure your district, your clubs, and you have the resources and support that you need to serve you communities.

With that in mind, the service hour goal set by the Circle K International board for this year is to have, on average, every member of our organization accomplish at least 3 service hours each month. I challenge you to step up to this task and help make this world better, one community, one volunteer, and one child at a time!

In Service and Fellowship,

Tim Pritchett

Sub-Region C Representative, Circle K International

Michigan District Information

Hello Michigan District!

I hope you all enjoyed your summer; I know I did! We have survived our first couple weeks of school and I hope you all are doing well! Circle K has started up for the school year and from what I have heard, every club has been doing a wonderful job with recruitment and I am very impressed! Whenever I visit clubs I am so excited to see the amount of people that are interested in this amazing organization.

This organization is amazing because of the selflessness of all of our members. I find it wonderful that we have already accumulated over to 4,500 service hours! I am very proud to say that I am a part of the Michigan District of Circle K International. Remember to always keep your head up and offer help whenever possible.

As we prepare for the next six months of this administrative year, I hope that all of you remember that we are all in this together. If you find yourself in trouble, do not be afraid to ask for help. Help one another out and use the resources that are available. That is what this Fall Directory has been created; to connect you with other people who are doing the same thing. If you have questions, feel free to ask anyone on the District Board or one of the members that are listed in this directory. Secretary/Treasurer Stefanie has spent countless hours preparing this for you so I hope you enjoy ☺

In Circle K Love,

Becky Garbutt

Becky Garbutt

District Governor

Michigan District of Circle K International

Greetings Circle K Members!

We are looking forward to another year of growth for Circle K!! We have had contact with numerous Kiwanis Clubs and Key Club members who wish to start a Circle K at a College or University where one currently does not exist. The Michigan District of Kiwanis knows that for Kiwanis to grow we need the help of Circle K members. This is done through building new Circle K Clubs; strengthen the existing CKs and joint service projects between CK and Kiwanis!!

I look to our current members to help spread the word about Circle K and also to help me promote CK to Kiwanis Clubs and Student Organization Departments on Campus. From time to time, I may request current members to attend start up meetings with me to promote CK, as you are the experts!!

Anything you need or any questions that you have, please feel free to contact me at mizzielizzie@aol.com or my cell 517-282-4202.

Yours in Service

Liz Luttrell-Wilson
Michigan District Circle K Administrator.
